

L'AVVENTURA

This is our menu for parties of 9 people or more. The whole party chooses a single menu.

Our menus include 3 or 4 servings that are shared by the whole party.

Below each menu you'll find beverage pairings where the different price levels determines how exclusive wines we can serve during the evening. The wine packages include 3 glasses of wine.

If your company wants an even more geneorus experience, you can buy our famous garlic bread or burrata for the whole table.
